Villa in the Heart of Guadalmina...The Golfer's dream of having a property walking to the Golf Club Guadalmina.The Villa is very spacious with 2 different areas.The first one at garden level the is a fully independent 2 bedroom apartment with kitchen and living room.In the upper part there is large living area with nice terrace facing East, 2 bedrooms on suite, a kitchen with a dinning room integrated in Swedish style.It has a swimming pool, aswell as a lovely garden with terrace and barbecue.But if you don't want to barbecue in there is another chill-out area on the roof terrace to enjoy a warm summer night among friends.Very Good investment!!! For investors or final client.
